THE VOLLEYBALL INDOMITABLE LIONS
C/O THE PRESIDENT OF THE CAMEROON
VOLLEYBAL FEDERATION

Subject : Congratulations

Dear Indomitable Lions,

Following your brilliant qualification to the finals of the 23rd edition of the African Volleyball Championship "Kigali 2021", which is synonym to a qualification for the next World Cup Russia 2022,

I would like to transmit you the encouragement and congratulations of the President of the Republic, those of the Government and all the actors of the national sports movement.

Your brilliant performance is the result of this "fighting spirit" that the President of the Republic, His Excellency Paul BIYA, exalts with relevant conviction. Added to this is the tireless efforts of Officials of the Cameroon Volleyball Federation, with satisfactory results in this discipline for the national teams in all categories, like the Senior Indomitable Lionesses also present in Kigali, whose prowess is remarkable from the start of the competition.

While wishing you "good luck" for the final game on 14th September 2021 and urging you to remain focused towards high performance and excellence for the conquest of the prestigious continental trophy, please accept, dear **Indomitable Lions**, the expression of my distinguished consideration.

NARCISSE MOUELLE KOMBI
